PERUNA PROTECTS OUR HOMES.

A black and white illustration of four people, likely a family, dressed in late 19th-century clothing. In the foreground, a woman with dark, wavy hair wears a dark dress with a large, light-colored bow at the neck. Behind her stand three men. The man on the left has short, dark hair and wears a dark suit with a high collar and a dark bow tie. The man in the center is taller, with a mustache and short hair, wearing a dark suit with a high collar. The man on the right has short, light-colored hair and wears a dark suit with a high collar and a dark bow tie. The background is simple, with some faint outlines of what might be buildings or trees. The style is characteristic of late 19th-century magazine illustrations.

The Roberts Family, of Falls City, Neb., Are Healthy and Happy - A Rare Sight in These Days. They Say, "I feel Peruina is the Greatest Medicine on Earth."

No man is better known in the State of Nebraska than Mr. Carl T. Roberts, owner of the largest stock raising outfit in the state, shrewd and fair business administrator, and a man of high character and high standing in the community. In a recent letter to Dr. H. Williams, of Chicago, he writes as follows:

"My boy, James, had the membranous eruption, and repeated attacks of lung fever, and I have been obliged to have him treated with Peruina, and have been successful in curing him. I have been obliged to have him treated with Peruina, and have been successful in curing him. I have been obliged to have him treated with Peruina, and have been successful in curing him."

It is a fact of first-ratestating importance to the people of Nebraska, that Peruina is the greatest medicine on earth, for the neglect of a child's health, and the consequent loss of a parent's health, bring upon themselves the most terrible calamities. Peruina is the greatest medicine on earth, for the neglect of a child's health, and the consequent loss of a parent's health, bring upon themselves the most terrible calamities. Peruina is the greatest medicine on earth, for the neglect of a child's health, and the consequent loss of a parent's health, bring upon themselves the most terrible calamities.

As soon as the value of Peruina is fully appreciated, it will be found to be the greatest medicine on earth, for the neglect of a child's health, and the consequent loss of a parent's health, bring upon themselves the most terrible calamities. Peruina is the greatest medicine on earth, for the neglect of a child's health, and the consequent loss of a parent's health, bring upon themselves the most terrible calamities.

A complete work on the subject of early and late treatment of children, by Dr. H. Williams, of Chicago, Ill., is available from the publisher, Williams, of Chicago, Ill.
